In addition to these packages, we will custom design orders to meet individual store owners' needs. We will never tell you how to run your business, but we will make suggestions to help steer you to our best selling items. The final decision is always up to you. If you have any questions or if you just want to talk about possibilities for your store, you can call us at 314-962-5229. We appreciate the opportunity to be part of your business. Your customers will appreciate what our products will do for them and will be back for repeat business.
